

June 2007

Greetings Members and Friends of Reeds Mill Church!

Reeds Mill Church will be opening its doors for worship on July 1 and will continue through to the last Sunday in August when we celebrate Old Home Sunday. Each year I am so glad to be able to tell you that!!

The church has undergone some major foundational work since last summer, so now stands a bit firmer than before. At the age of 115 years, this is to be expected, right? There has been further work recommended, though not urgent at this time. Members of the church are looking at possible sources of funding for this maintenance work, but individual donations would surely be appreciated as well.

The picture below was taken during the Old Home Sunday celebration last year. The minister from the Congregational church in Dixfield, John Gensel, brought a few members of his choir along, and they sang some great hand clapping music! We had a great time!! Pastor Gensel will lead us in worship on Old Home Sunday again this year on August 26.

BJ Bangs, Phillips, has donated her time and talent to building an internet web site for Reeds Mill Church! You will find history, listings of services, speakers, and special occasions there. Our lovely, old church is the perfect setting for weddings and special services. We hope you will visit the web site often to see what's up. The web address is www.ReedsMillChurch.org. Please share this with your friends and family.

As in the past, worship begins promptly at 2:00 PM every Sunday, with the exception of Old Home Sunday when the service starts at 1:00. We have wonderful speakers, some new and some well loved "returnees" who are anxious to share their witness, teach from the Bible, and sing God's praises with us. Roy Kelley and Maggie Schlemmer will take turns playing the music. Bring your family, neighbors, visitors and friends - all are welcome to these non-denominational services. Please call me at 639-2713 if you have any questions or ideas for worship you'd like to see happen.

Peace and Blessings,
Ginni Robie
